

## Girl Power Summer Camp

### Junior Leadership Application

Thank you for your interest in becoming a Junior Leader with the Girl Power Summer Camp!

Girl Power Camps are five-day camps that have been created for girls ages 8-11. The camps help to develop leadership skills, create supportive friendships and build coping skills, all while celebrating being a girl!

Girl Power Camps are looking for Junior Leaders ages 12-15! Junior Leaders will have an opportunity to gain valuable volunteer experience, and learn about topics such as:

- Empowerment & Assertiveness,
- Self-Esteem and Leadership Skills.

After completing 3 days of training, the Junior Leaders will help facilitate activities, and act as mentors to camp participants.

Training for Junior Leaders will be held at the center CNWRC (67 Dominion Street, Truro) in late June/early July.
